What did your buyer like best about the home? / Were there any issues we should know about?		Buyer is very interested. Disappointed that we were not informed of multiple offers upon showing request. Would like to be informed if current deal does not go through. Would love the chance to submit an offer to the seller. Thank you!

What did your buyer like best about the home? / Were there any issues we should know about?		My client had bid on this house before the current buyer purchased and rehabbed it. He feels the increase in price might be too much on a flip based on work done. He was wondering what was done with the gold that was in the house? Thanks. Raj
