

GET “CASH BACK” WHEN YOU BUY YOUR NEXT HOME

**WITH OUR HOMEBUYER REBATE PROGRAM YOU GET A 50%
REBATE OF OUR BUYER’S AGENT COMMISSION**

ON A \$400,000 PURCHASE WITH A 2.5% COMMISSION YOU GET BACK \$5,000.00

How It Works:

All you need to do is work with us as your agent on the purchase of your next property.

Any Property Listed For Sale:

We can show you any property listed for sale in the MLS and will rebate you 50% of the commission we receive.

We Provide You A Full Range of Services Including:

- Provide you with daily email updates on properties that come on market meeting your criteria.
- Schedule and accompany you on property showings.
- Offer feedback regarding a properties price, condition and potential issues.
- Submit and negotiate offers.
- Help with the completion and review of all paperwork.
- Assist with coordinating the home inspection, appraisal, and closing.
- Advise you throughout the entire process.

Please note that on a property which we are the listing agent for, the extent of services we can provide you may be limited by our agency relationship with the seller. You will be provided with an agency disclosure prior to any showings that will outline our relationship and will detail the level of service we are providing you on a given property.

This program is available in a limited area. Minimum purchase price to be eligible for a rebate is \$300,000. For complete information please visit www.revorealty.com
