

Ben has been actively involved with the Energy Star for Homes Program for over 9 years as an Energy Star partner. During that time he has been educating local Realtors, Builders, and Superintendents on the many benefits of building and selling such a great product. Ben is the only Realtor in Arizona out of over 100,000 licensed agents that has partnered with this program. Mr. Leeson is the founding member of the Arizona Energy Star Realty Association & a founding member of the International Luxury Society. He is also a member of the Energy & Environmental Building Association, the Southeast Valley Regional Association of Realtors, the National Association of Realtors and a licensed real estate agent with Keller Williams Integrity First Realty where he has served on the Agent Leadership Council and the Education Committee. His team of agents (My Arizona Home Team) specialize in Resale, Custom & New Home Construction, specifically energy efficient homes and building science.

Ben is active with Real Estate in Puerto Peñasco, Mexico (Rocky Point) where he is involved with sales and property management.

Ben has also been involved with Youth sports as a coach, manager, and board member for over 17 years, specializing in girls Fast pitch Softball. He has been the head coach for each of the Highland High Schools (Gilbert Arizona) three programs, freshman, JV, and Varsity. Ben's past experience in youth sports also includes being a 10 year member of the Gilbert youth sports coalition and 12 year executive board member for Gilbert American Little League. Since 1994 Ben and his team has been a sponsor to more than 30 youth sports groups donating over 150,000 water bottles for fundraising efforts along with numerous other fund raising opportunities.
