

My Arizona Home Team's  
Monthly Home Improvement Tips  
June 2009

# Energy Savings

**Tip #1: Install solar shade screens to keep out heat and lower A/C bills.**

**Tip #2: Use an electric or energy efficient water heater.**

**Tip #3: Install a 7 day programmable thermostat.**

**Tip #4: Use ENERGY STAR rated light bulbs that are up to 75% more efficient than standard bulbs.**

**Tip #5: Turn off computers and monitors on nights and weekends.**

Call us for your **FREE** consultation before you start your next home improvement project!

\*We recommend you consult with a licensed contractor prior to attempting any do it yourself projects
