Fire Prevention

"In the U.S. someone dies from a home fire roughly every 134 minutes."

- Tip #1: Plan and practice an exit plan with your family including 2 ways out of your home.**
- Tip #2: Keep volatile chemicals separate from the home.**
- Tip #3: Store matches and lighters out of reach of children.**
- Tip #4: Purchase an ABC type extinguisher for extinguishing all types of fires.**
- Tip #5: If you have younger children, practice the stop, drop & roll method.**
