

My Arizona Home Team's Monthly Home Improvement Tips
April 2009

Tile Care & Cleaning

- Tip #1: Use silicone sealer on grout joints if continuous staining is a problem.
- Tip #2: We recommend you apply a sealer at least twice a year for maximum stain protection.
- Tip #3: DO NOT use harsh cleaning agents (such as steel wool pads), which can scratch or damage the surface of your tile.
- Tip #4: Prompt clean up of spills and regular cleaning will keep your ceramic tile surfaces looking their best.
