Pembroke Pines/Miramar Market Center
Keller Williams Realty
Pembroke Pines, FL

Dear Pembroke Pines/MiramarTeam,

Congratulations on once again achieving the distinction of being in our Top 25 Market Centers! It is an honor and pleasure to recognize your outstanding September production in Closed Units.

Over the past several months we have looked at many of John C. Maxwell's invaluable, thought-provoking points and quotes covered in his book, "There's No Such Thing As "Business" Ethics" and I sincerely hope you have taken each one to heart, weaving them seamlessly into your daily routine.

In chapter six, John speaks to assuming responsibility for your own actions in relationship to seizing opportunities by spotlighting U.S. President Woodrow Wilson's observation, "Responsibility is proportionate to opportunity." and Winston Churchill's statement that responsibility is "the price of greatness". Taking responsibility for your actions in both your professional and personal life creates the trust of others -- a benefit beyond measure as well as the groundwork for opportunity.

Yours in opportunity through responsibility,

Mo Anderson
Vice Chairman
