Our Online Marketing Presence

SteveJacobson.com

My website has 100's of unique visitors a week! Your home gets exposure via your listing on my site! You will also have a unique website address for personalized advertising!

Realtor.com

Realtor.com is THE Real Estate website! Your property is available to 26.1 Million potential buyers! We upload up to 25 photos and a video tour of your home to the Realtor.com website. There are also details of demographics, schools and MORE!

Youtube.com

You Tube Search Brows Edit Video Detail Edit annotations Edit captions/subtities AudioSwap Insight stats Home for sale! Littleton Colorado! Updated with Nice Finishes! Kandis\$JGroup 1 video 🖲 Subscribe

A video of your property will be posted on youtube.com where you will have exposure to literally millions of viewers and prospective buyers. This posting will have tags and a full description of your home! We put a QR Scan code on your brochure for smart phone Point of Sale access to your video!!

eproperties.com

This is an eproperties.com website. You will have your own <u>unique website</u> <u>address</u>, virtual tour, text code for smart phone web access and more. We post this on places like my personal facebook page, Craigslist and postlets!

Through our association with Realtor.com, Postlets.com and Trulia.com, and the Denver MLS your home will be found on literally hundreds of sites for Maximum Exposure!
