

Attention Tenants

Are you thinking about buying a home?

Did you know we can help you?

Here's how:

1. Meet with our lender to see if you qualify
2. If you qualify, one of our agents can work with you to find out your needs
3. Next Our agent will meet with you and show you available properties.
4. Write an offer to purchase the property
5. When your offer is accepted, you get inspections on the property
6. Depending on the inspection reports, you Decide to either purchase the property or not.
7. Submit your offer to the lender to get your loan approved
8. Get the loan and close escrow
9. Now you own the home. Congratulations!
