

Kind words from recent clients

Please feel free to contact them.

Dear Dave,

Despite the fact that real estate is your life's work, for us, selling our house was a personal & emotional matter. Thank you for never losing sight of our dreams as you guided us through this once - (or twice) in - a - lifetime journey.

We never used the term "integrity" lightly and we work very hard to try to live a life of integrity everyday.

Thank you for exemplifying & epitomizing integrity throughout the exciting, scary and intoxicating process of selling our dear old 84 Erie Street.

You (& your team) are the best! Love, The Campbells (Jamie, Elise, Madeline & Ryan)

Everythings did go well, Dave. The family is lovely and seems to love our home as we did, valuing its special charms. At any rate, I've cried my tears and now look forward to the future.

We appreciate completely your efforts in the sale of our home. People cannot believe that it was sold during this difficult, difficult time period. We're telling them all that 'it is due to your professional services' and we mean that sincerely.

Thank you for everything.

Warmest regards,

Carmen and Paul

Dave,

Just wanted to drop you a note to say "Thank You" for helping us sell the house. We made the right decision selecting you to be our real estate agent, and we enjoyed working with you. Also, thanks for the use of the truck. It was very helpful as well.

Regards,

Hi Dave,

I have been meaning to send you an email since the closing. I apologize for being so negligent. Just want to thank you and all of your staff for the work you did on the sale of my aunt's house. In this market, it was nothing short of a miracle (from my perspective!) that it sold at all. Your patient, calm demeanor helped me get through the process. Your information, like the print out "Now that you have an offer, what comes next" was greatly appreciated and really useful. Your entire staff was professional and always helpful and informative. But the real kudos go to Lucille. She is a gem. I don't how I would have kept a level head without her input.

Anyway, I am glad that we chose you to represent us and would be happy to have you use me as a referral if you need one.

Thanks so much.

Best Regards, Linda Nagle (on behalf of the entire family)

Hi Dave

Just wanted to drop a hello and to thank you for all your invitations. We took you up on your offer at D'Angelo's and the mum and pumpkin now grace the front light.

I count all my blessings that I followed your advice otherwise I will still be selling my old house...things have just gotten worse, but then again you already know...

I really appreciate all the help you gave me and a very sincere thank you...

Regards to you and Roseann from both Anthony and I

All the best,

Dalma

Hi Dave:

You were wonderful during the whole process of selling my Dumont home. I don't believe another realtor company could have been so terrific throughout the entire process. Mary did a wonderful job as well finding me this great apartment in Bergenfield. The two of you met me in the most stressful time of my life and managed to keep what could be another stressful event UNSTRESSFUL. I will recommend you to everyone I know and although I hope this doesn't happen any time soon, I will look to you guys again if the need arises.

Thanks again,
Karen Wilson

Dave,

It was a pleasure working with you and Lucille. For what it's worth, anyone who asked us how long it took to sell I told them 4 days from listing to an offer. With this economy most of their jaws dropped and they asked which realtor and I told them you. One of them is a lady from Prospect Avenue who has also been in town 40+ years.

Thanks again for everything!

Rick
