

**PLEASE SUBMIT ALL OF THE FOLLOWING FORMS WITH YOUR OFFER:**

- **EMD** ~ Copy of earnest money deposit check AND Form #1367-EMD Escrow Agreement
- **Buyer's Financial Information Sheet** ~ The Seller needs to determine the buyer's financial wherewithal to consummate the transaction and the buyer must not misrepresent his/her ability to purchase according to the terms of the written contract. This form serves this dual purpose and is a statement from the Buyer that the Seller can rely on for both above.
- **Pre-Approval Letter** ~ Letter should be from a recognized lending institution. If your contract is an all-cash offer, you must show proof of funds via bank statements or letter from an accountant or licensed financial planner.
- **GCAAR Sales Contract or MAR Contract**
- **Montgomery County Jurisdictional Addendum to Sales Contract** ~ Make sure it is the correct one depending on if you use GCAAR or MAR contract.
- **Conventional/FHA/VA Financing Addendum** ~ All cash offers will not have this form. Contracts that plan to obtain financing but have contracts without a financing contingency still need to include this form but should cross out the contingency section.
- **GCAAR Addendum of Clauses A** ~ ONLY if Applicable
- **GCAAR Addendum of Clauses B** ~ ONLY if Applicable
- **Inclusion/Exclusion Disclosure and/or Addendum** ~ Included in disclosure package from listing agent.
- **HOA or Condo Seller Disclosure/Resale Addendum for Maryland** ~ ONLY if applicable. This would be included in disclosure package from listing agent.
- **Federal Lead Paint Disclosure Form** ~ ONLY if applicable. This would be included in disclosure package from listing agent.
- **MD Lead Paint Disclosure Form** ~ ONLY if applicable. This would be included in disclosure package from listing agent.
- **MAR Notice to Buyer's Right to Property Disclosure/Disclaimer Statement** ~ Included in disclosure package from listing agent.
- **Residential Property Disclosure/Disclaimer Statement** ~ Included in disclosure package from listing agent.
- **GCAAR REA Addendum** ~ Included in disclosure package from listing agent.
- **Important Information For the Purchase of Real Estate**

Other forms may be required depending on your offer, however the above forms are what I consider to be included in a complete contract offer that can be evaluated and potentially ratified by a Seller at time of presentation. Please have all pages of the disclosure package supplied by listing agent executed and signed by Buyers where highlighted. Extra credit given to those who follow my outline and order of forms.

Thanks,

Michael P. Rose

At the time the disclosure or disclaimer statement is delivered to you ("the buyer"), you are required to date and sign a written acknowledgement of receipt on the disclosure or disclaimer statement which shall be included in or attached to the contract of sale.

The following footnote references apply only if the table above has a foot number reference.

1. Phase in value comes from the data base at the Maryland Department of Assessments and Taxation <http://www.dat.state.md.us/>, Real Property Data Search. The phase in value is for the next fiscal year, if available, otherwise the phase in value is for current fiscal year.
2. Tax rates come from the current property tax bill, which also may include several non-tax charges, at the web page of the County Government's Department of Finance: <https://www.montgomerycountymd.gov/finance>. Look for a link to "Pay or view your property tax bill on line".
3. County Property Tax is the sum of the General Fund tax and several special fund taxes.
4. All non-tax charges (for example Solid Waste, Water Quality Protection, Bay Restoration Fund, WSSC) are the charges in the current fiscal year. These charges may be different in the next fiscal year.
5. This property is located in an **existing** development district. Each year a special development district assessment must be paid. Effective every July 1st, the rate will change based on changes in the property assessment and debt service requirements. More information is available in the FAQ section of this website.
6. You must update the estimate for the property taxes and other non-tax charges
  - a. Every July 1, because the tax rates, phase-in values, and other non-tax charges will or may change; AND ALSO
  - b. In early January if the calculation used the phase-in value for the current fiscal year instead of the phase-in value for the next fiscal year, because SDAT had not yet specified the phase in value for the next fiscal year. This occurs in the period July 1 - early January in the third year of the three year assessment cycle.
7. This property is located in a **proposed** development district. At some date in the future, development district taxes may be levied to pay debt service on bonds issued to build infrastructure in the district. It is important that property owners recognize that this additional tax may be levied in the future. The rate indicated above is an estimate and will change once the district is created and bonds are issued. More information is available in the FAQ section of this website.
8. The Proposed Estimated Total includes all actual and proposed taxes and non-tax charges relative to this property.
9. This is a one time charge assessed against this property and is not an annual fee. It should be paid before the property is sold and will remain due until paid.
